*All authors of the Paper, individually or through his or her authorized representative identified below (the "Author"), agree with the American Solar Energy Society, Inc. ("ASES") as organizer of Solar 2014 (July 6 - 10, 2014) as follows:*

*The Author hereby transfers to ASES all right, title, and interest in and to the Paper, including all rights to copyright in the United States and throughout the world, for the life of such rights. However, the following rights are reserved by the Author:*

- 1. All proprietary rights other than copyright, such as patent rights;*
- 2. The right to use, free of charge, all or part of the Paper in future works of the Author's own creation, such as books and lectures; and*
- 3. The right to reproduce the Paper for the Author's own purposes.*

*In any use of the Paper under the rights reserved above, the Author agrees to acknowledge ASES for having first published the Paper, including the Proceedings title and date.*

*Each Author represents and warrants to ASES that: (a) he or she has obtained, in writing, all permissions required for the inclusion, use, reprinting, adaptation (if any) and publication, in the Paper, of any copyrighted material (including, without limitation, any diagrams, photographs, or figures) and of any quotations attributed to a person or entity; (b) he or she has submitted copies of such permissions to ASES with the Paper; (c) all authors of and contributors to the work have been identified above and no commitments have been made to any others with respect to the Paper or its use; (d) the Paper is original, does not infringe upon any statutory or common law copyright, proprietary right, right to privacy, or any other right of any other person, and is not libelous; and (e) if the Paper contains any instructions or practical information, then such instructions or practical information are not potentially injurious to the user and that the Paper contains appropriate cautionary and warning language. Each Author hereby indemnifies, holds harmless and defends ASES from and against any and all claims, liabilities, damages, costs and expenses (including attorney fees) arising from or relating to the breach of any representation or warranty made by the Author.*

ASES shall have the right to use each Author's name, biography, and likeness in connection with the publication and promotion of the Paper and any additional editions or reprints of the Paper.

This Agreement and all issues relating to it shall be governed by the laws of the State of Colorado. Any controversy or claim arising out of or relating to this agreement shall be finally settled by arbitration in accordance with the rules of the American Arbitration Association and judgment entered in any court having jurisdiction.
